SKARIAH DENTISTRY PROFESSIONAL CORPORATION  
HANS P. SKARIAH B.SC., DMD AND ASSOCIATES

Dear Patient,

We are delighted to welcome you to our practice and to serve your dental needs. Our team looks forward to meeting you!

During your first visit, a thorough oral examination will be performed, which may include radiographs and other diagnostic aids. This assessment will take less than 30 minutes. You will receive an explanation of our diagnostic findings and a personalized consultation to discuss any treatment if necessary. **If possible**, we can start treatment that same day.

We are serious about providing superior and dedicated dental care at reasonable costs. Our goal is to help you feel and look your best through excellent dental care. Of course, this depends on seeing you at the practice on a regular basis and your homecare.

For your convenience, our methods of payment consist of dental insurance (electronically submitted), Debit, Visa, Mastercard or cash. If you are ever unable to make an appointment you have scheduled with us, please notify us at least **2 business days** in advance. We would be glad to reschedule the appointment at a more convenient time if necessary.

In the meantime, we look forward to meeting you and serving your needs in our practice.

Sincerely,

Dr. Hans Skariah and Jodie Ton
